

We ♥ brokers!

**Receive 3% sales
commission from
D.R. Horton Spokane**

At D.R. Horton, we greatly appreciate the real estate professionals we work with and gladly reward the efforts of brokers by paying a 3% selling office commission ("S.O.C.") at closing. Simply register your client on or before their first visit to a D.R. Horton community in one of three ways:

1

You personally accompany a new customer to one of our communities on their first visit, and you register them as your client.

2

You contact the sales office for the community prior to the customer's first visit, and you register the customer as your client (and the customer agrees you are representing them).

3

Your client registers you as their agent during their first visit to the community.

Living in the Inland Northwest, the border between Idaho and Washington is just a line we travel across to live, work, and play. At D.R. Horton, we know that our friends in North Idaho may have clients who are exploring options for homeownership in Washington—and we are here to support you both.

If you are a licensed real estate broker in Idaho and you register your client with us as outlined in 1-3 above, we will gladly pay a 1.5% referral fee to your brokerage firm at closing.*

We look forward to working with you.
