"This is our second D.R. Horton home and we absolutely love everything about it. Because of the many options available, we were able to customize the interior and exterior to our liking. Our kitchen is my favorite room! The quality of construction, builder follow-up, and commitment to customer satisfaction is second to none. We are so pleased with our home, community, and the wonderful amenities our community offers."

- Ricky and Stefanie Lyons

"Our new D.R. Horton residence is a dream come true. Our sales representative, design center coordinator and construction manager were all much more than trusted representatives and advisers, they are now our friends. The support we received before, during and post construction has been superlative. Every facet of the experience was enjoyable and truly stress free!"

- Bruce and Sue LoBuono
