See a D.R. Horton sales agent for complete warranty details. \*\*The 50 amp Electric Vehicle outlet may not be compatible with all electric cars and require an adapter. \*\*\*A D.R. Horton Smart Home is equipped with technology that includes the following: a Z-Wave programmable thermostat manufactured by Honeywell; a Z-Wave door lock manufactured by Kwikset; Smart Switch; a Qolsys, Inc. touchscreen Smart Home control device; an automation platform from ADT; a video doorbell; and an Amazon Echo Pop. D.R. Horton reserves the right, without prior notice, to substitute other products for those listed above. Features, colors and sizes are approximate and will vary from the homes as built. Not all features available in all plans. Options and upgrades are available at an additional cost and are subject to construction cut-off dates. Other Smart Home technology features may be offered for an additional charge. For Smart Home technology included in the home to work, homeowners must obtain and pay for their own Internet service and may need to purchase compatible devices and to maintain accounts with third parties for the services. D.R. Horton makes no representation or warranty that any or all of the Smart Home technology is secure, will meet any homeowner needs or will provide any level of physical or cyber security for the home – even if the technology is working as intended. See a D.R. Horton sales agent for complete information. D.R. Horton is a registered trademark of D.R. Horton. Management Company, Ltd.
